

We're a small business  
with a homebase in  
Pittsburgh, PA

family owned

hand crafted

We love all things  
handcrafted. One because  
they're made with love, but  
also because it creates jobs!

Making jobs is only part  
of our attitude towards  
sustainability. We care  
about our community  
and our environment.

sustainable

organic

It's why we make it a point to be  
agressively organic with our  
supply chain and materials! Yes,  
even the memory foam! (Though  
the polyester is upcycled)

But most of all, if you  
couldn't already tell, we  
love all things soft, fluffy,  
and colorful. We hope that  
it brings a bit of cheer to  
your home.
